Our Vision

The Mt Barker & District Residents' Association Inc (MBDRA) objectives are to preserve, promote and further develop, sustainably, the **historical, social, cultural and environmental** features of the Mount Barker district, its townships and settlements.

Established in 1991, the MBDRA aims to provide a forum for residents to express their views and concerns on issues relating to their community.

The Association believes in **integrated planning and participative consultation to achieve open and transparent communication and engagement** between all stakeholders, especially the Mount Barker District Council.

Consideration and discussion of issues relevant to the current and future needs of the district and its citizens are essential to ensure **consistent and cost-effective** strategies, decisions, plans and actions.

Full accountability, sensible governance and transparent decision making are essential to ensure the Council meets the needs of all members of its community.

The MBDRA supports policies to optimise the social well-being of our community and the environment, ensuring only sustainable development and practices.

Our Focus

 Supporting a robust **community engagement strategy** to provide more integrated decision making between Council and the community

 Consultation with our community about the **current and future developments** throughout the district

 Input into **recreational strategies and plans** including spaces for our youth and the aged

 Retention of **community land, open spaces, trees and native vegetation** to ensure consideration of rural and historical lands

 Retention and promotion of over **600 historic buildings and sites** within the district

 Working towards **improved infrastructure and community facilities**

 Ongoing support for the development of **culture and arts** strategies and plans

 Establishment of a high quality, community focused **Town Square** in Mount Barker

Membership to the Mt Barker & District Residents' Association Inc is available to anyone who:

- has agreed to accept all of the Association's objectives (available on the Association's website 'About Us' page);
- resides within the Mount Barker District Council geographical area;
- pays the appropriate membership; and
- has their application for membership ratified by the members of the Association at a General Meeting.
